

2010 Association of Surgical Technologists 41st Annual National Conference

Gaylord Texan, Grapevine, Texas
State Assembly Marketplace, May 27–28, 2010

Dear State Assembly President,

Conference is just around the corner and it's time to think about sharing your state assembly products with your colleagues in Dallas.

Please refer to the information flyer, which outlines the basic policies for all state assemblies and address many of the questions we have received previously.

We have included an application, and a product list sheet which must be completed and returned with your fee. These forms are also online on the conference web page. If you choose to complete the interactive application online, just download it, supply the appropriate credit information and fax all forms back to my attention at 303-804-2280.

The deadline for the return of application, product list and fee is April 1, 2010.

If you have any questions, please contact me. All of the AST staff is looking forward to seeing you at the 41th Annual Conference.

Sincerely,

Teri Yarborough
