

Award Criteria

The candidate must be nominated by a peer (educator, school administrator, etc). Student nominations will not be accepted.

Candidate must be a full-time employee of an accredited school. (Students must be eligible to sit for the NBSTSA surgical technology certifying examination).

Nomination must include a maximum 500-word typed essay, Microsoft Word preferred. Explain why the educator is the best in the field. This should also include any involvement with AST.

The essay and nomination form must be postmarked or emailed by March 1, 2010, to scholarships@ast.org.

Qualified candidates will be notified of their nomination and are responsible for providing the following documentation via email to scholarships@ast.org

- Current curriculum vitae
- AST membership verification
- State assembly involvement (describe offices held, attendance at meetings, presentations given), etc
- CST or CST, CFA credential verification

In addition, nominees are encouraged to solicit student comments which can be forwarded to the Foundation confidentially at this email address: scholarships@ast.org.

Students, please include the words “2009 Student Educator Commentary” in the subject line of your email. Be sure to send by March 1, 2010.
