

Leadership & Employability

Maricela Chavez, MHA, CST, FAST

Building Leadership Skills for Enhanced Employability

Leadership

- the ability to guide, influence, or lead people, teams, or organizations

Employability

- the ability to find and maintain a job, and to be successful in a career

Look at the big picture.

GOALS

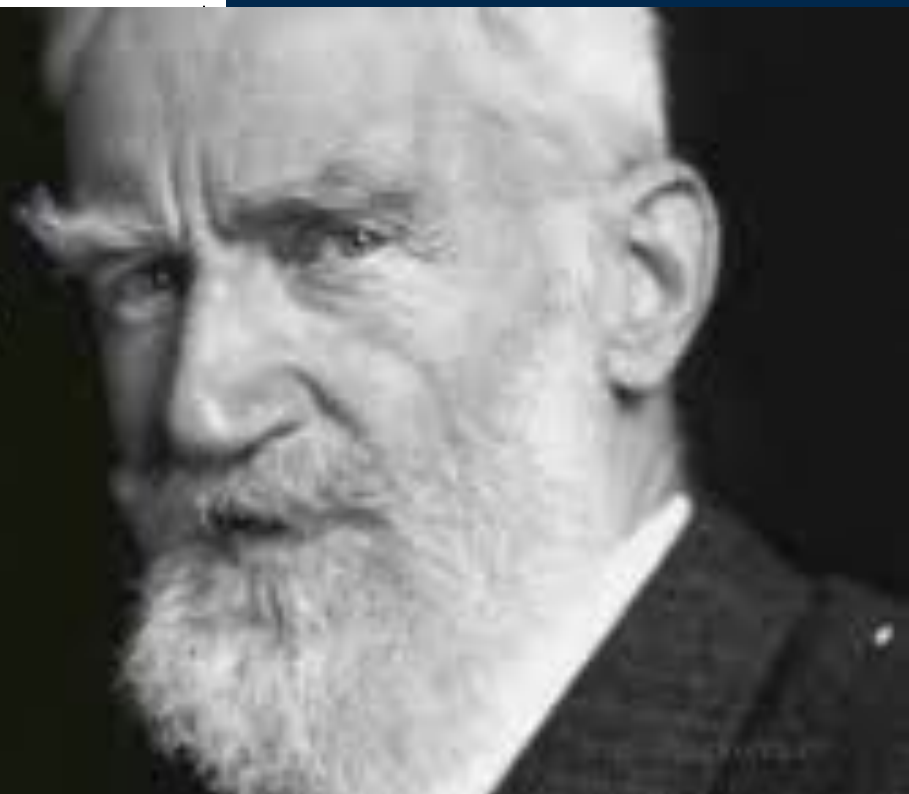

- Writing down goals enhances focus and motivation.
- Breaking goals into attainable steps promotes progress tracking.
- A clear road map helps adjust strategies as needed.
- Share the small wins.

Expectations

- Clear expectations foster accountability and respect.
- Consistent rules promote a professional and productive environment.
- High standards cultivate a culture of excellence.

The single biggest problem in
communication is the illusion that
it has taken place.

George Bernard Shaw

GRIT & RESILIENCE

Believe you can and you're halfway
there.

— *Theodore Roosevelt* —

AZ QUOTES

Believe you can
and you will!
