

Mary Girgis Program Director

Biography

Mary has been a Certified Surgical Technologist (CST) since 2016 and recently assumed the role of Program Director at Oakton College. Her passion for education drives her commitment to supporting individuals pursuing a career as a CST. In her leadership role, she has the rewarding opportunity to collaborate with diverse stakeholders to develop and strengthen a high-quality surgical technology program dedicated to student success.

Specialties

Peripheral Vascular as well as Cardiovascular surgery.
