Represents Idaho, Massachusetts,
New Hampshire/Vermont, Rhode
Island, West Virginia

Allison has been an AST member for 19 years. She is a graduate of the 2006 Maine Medical Center School of Surgical Technology and obtained her associates of applied science in surgical technology from Southern Maine Community College. Prior to

moving to Maine, she grew up in Vermont, where she still visits family as much as possible.

She works as a Certified Surgical Technologist in the operating room at Northern Light Mercy in Portland, Maine. Allison is in her final year on the AST State Assembly Leadership Committee and has served on the Maine State Assembly in the past as president, secretary, and director positions. She was honored to receive the FAST designation in 2019. In her free time, Allison enjoys searching for sea glass and sand dollars on Maine beaches, jewelry making, playing games, spending time with family, fishing with her husband, floating in inner tubes in the summer, and skiing in the winter.
